Hi Honey

Please excuse the delay in my answering your letter. I'll try to make it up to you Honey. Well how do you feel today? Okay? I hope so anyway. I feel pretty good I just came back from the show and was laying on my bed daydreaming, and I thought of you. No kidding Honey. The time is really drawing close now just six more months to go. I hope you haven't changed your mind about me Honey, because I still love you with all my heart. I'm daydreaming about your terrific build, Honey you are my sweatter girl. (Brother what a build) Every time I look at your picture my heart does flip, flops, and my pulse starts to throb away. Keep those sweet lips of yours nice and soft Honey, and really practice on puckering up. Any lipstick keep it on hand, not telling how much we'll use. I just dream of kissing you Honey. I'm going to bed now, and I'm in high hopes I dream of you. Goodnight and God Bless You.

P.S.

I Love You.

Your Hopeful Love
Bob

[Letter]

Hi Honey,

Please excuse the delay in my answering your letter. I'll try to make it up to you Honey. Well how do you feel today? Okay? I hope so anyway. I feel pretty good. I just came back from the show and was laying on my bed daydreaming, and I thought of you. No kidding Honey. The time is really drawing close now just six more months to go. I hope you haven't changed your mind about me Honey, because I still love you with all my heart. I'm day dreaming about your terrific build, Honey you are my *sweatter* girl. (Brother what a build.) Every time I look at your picture my heart does flip flops, and my pulse starts to throb away. Keep those sweet lips of yours nice and soft Honey, and really practice in puckering up. Any lipstick keep it on hand, no telling how much we'll use. I just dream of kissing you Honey. I'm going to bed now, and I'm in high hopes I dream of you. Goodnight and God Bless You.

Your Hopeful Lover,
Bob
